

ENVIRONMENTAL POLICY STATEMENT

Our statement of general policy is:

- Defence Seals & Spares is committed to minimising the impact of our activities on the environment.

- The key points of our strategy to achieve this are:
 - minimise waste by evaluating operations and ensuring they are as efficient as possible
 - actively promote recycling both internally and amongst our customers and suppliers
 - monitoring and managing the environmental effects of our activities to prevent pollution and continually improve our environmental performance
 - source and promote a product range to minimise the environmental impact of both production and distribution
 - comply with the environmental legislation that relates to the Company

- All Defence Seals & Spares employees are to demonstrate commitment and responsibility to this policy, and any associated environmental objectives and targets.
